

Publicity Officer

This role entails overseeing the **production and distribution of publicity material** for all of the society's events and shows throughout the year. You will need to **design and produce posters** for all the major society events, as well as **liaising** with the appropriate union contacts regarding their distribution. It helps for the person going for this role to be **tech-savvy, creative, detail-oriented, familiar with the printing process** and **confident using social media** (not least to post on Facebook & Twitter with society updates!). This role is ideal for anyone interested in advertising, PR, marketing and/or graphic design. If you wanted to, it could be a good idea to give an example of a poster you have made to demonstrate your creativity. If you want more information about the role, please contact one of the Dance Society committee members who will be able to point you in the right direction.

Social Secretary

The main job of the Social Sec is to organise **AWESOME PARTIES** for Dance Soc and all of its members. Events range from group trips to see West-End shows, to clubbing, from winter balls to after-show parties. The social secretary must be **confident, enthusiastic** and **persistent**, as sometimes you have to use all your powers of party persuasion to get people on the d-floor! For more information contact Sara (Vice President and former Social Secretary) or Farah (current acting Social Secretary)

First Year Rep

This is an exciting role for **first years** to really get a full taste of how Dance Society works. The first year rep is a **point of contact** for freshers. The position is designed so that you can relay any concerns or requests that freshers have to the committee and attend committee meetings. In addition to this, the freshers' rep will help with other aspects of Dance Society including the **Freshers' Show production** (being part of the production team) and helping with projects such as the **volunteering project** and the **DanceSnap photography project**. This sounds like a lot but mainly, the Freshers' rep's role is to **help freshers integrate well with the society**. More information? Contact any of Dance Soc Committee.

If you are interested in any of these roles, please send your **name, contact details** and the **role you would like to run for** to the dance society email **uclu-dance.society@ucl.ac.uk** before **Wednesday 23rd October!**
